Home Runs that Help

Drake Westcott has been selected to represent Illinois at the 12th Annual International Power Showcase to be held in Miami Marlins Stadium 27-31 December 2017. Home Runs that Help, the community outreach segment of the Power Showcase, provides participants with an avenue to translate their love of baseball into opportunities to benefit their local communities. Drake has again partnered with SSM Health Cardinal Glennon Children's Hospital in St. Louis to raise funds and awareness for children and families fighting childhood cancers. This year's fundraising efforts will also benefit Team Cody. Cody Warner, a high school junior from Vandalia, IL, is the cousin of one of Drake's good friends and St. Louis Pirates Baseball teammates. Cody was recently diagnosed with Atypical Ewing's Sarcoma and is actively undergoing treatment. **100% of the funds collected will be donated to these recipients.**

Please join Drake in supporting these important causes by donating today. All proceeds will be managed by Edwardsville High School and donated directly to Team Cody and SSM Health Cardinal Glennon. Pledge forms requested by December 22, 2017.
